TRANSCRIPT LEGEND (Last revised 7/1/2020)

Accreditation: The University of South Florida (USF) is accredited by the Southern Association of Colleges and Schools' Commission on Colleges to award associate, baccalaureate, master's, specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, or call 404-679-4500 for questions about the accreditation of the University of South Florida. Additionally, many colleges and academic programs have specialized accreditation from their respective professional associations.

Calendar System: USF has used different academic calendars since opening on September 26, 1960. USF operated under the traditional semester calendar from Fall 1960 through Summer 1963. A conversion to trimesters was implemented between Fall 1963 and Summer 1967. A quarter calendar was used between Fall 1967 and Summer 1981. Beginning Fall 1981, USF adopted a modified semester calendar, which is still in effect.

Years	Calendar Type	Credit
Fall 1960- Summer 1963	Semester	Semester
Fall 1963- Summer 1967	Trimester	Semester
Fall 1967- Summer 1981	Quarter	Quarter*
Fall 1981- present	Modified Semester	Semester

*All credit hours are posted in semester equivalents; CLEP awarded between Fall 1967-Summer 1981 has not been converted, except in total CLEP hours.

Course Numbers: Courses are numbered using the State of Florida Course Numbering System for courses beginning Fall 1978; USF's own system was used prior to Fall 1978. Under both systems, course numbers beginning with 1 or 2 are lower division, courses beginning with 3 or 4 are upper division and courses beginning with 5, 6, 7, 8 or 9 are graduate level.

Grade Point Average (GPA): GPAs are computed by dividing the total number of quality points by the total gradable hours attempted at USF. The total quality points are calculated by multiplying the number of credits assigned to each course by the quality point value of the grade given. GPAs are truncated to two decimals (3.48) and rounded up to the thousandth.

If a student originally earns a grade in a course that may not be repeated for additional credit and then earns another grade on a subsequent enrollment of the same course, both grades are averaged into the GPA unless the Grade Forgiveness Policy is applied. Graduate students are not eligible for grade forgiveness.

Courses taken at USF as non-degree-seeking are not computed in the USF GPA unless the courses are transferred in and applied to the degree requirements. Grades for transfer credits accepted toward the major are not counted in the USF GPA.

Grading System: USF uses a four point grading system to measure academic achievement in quality points; all grades earned, regardless of course level, are posted on the transcript. The assigned grades, performance level, and earned quality points are as follows:

Grade	Performance Level	Quality Points
A+		4.00
A	Excellent Performance	4.00
A-		3.67
B+		3.33
B	Good Performance	3.00
B-		2.67
C+		2.33
C	Average Performance	2.00
C-		1.67
D+		1.33
D	Poor Performance	1.00
D-		0.67
F	Failure	0.00
IF	Incomplete Grade Changed to Failure	0.00

Repeat Coursework: Credit hours for repeated USF coursework will be awarded only once per course unless the course is an University approved repeatable course. Courses with an Repeat (R) flag are treated as follows:
E   Repeated- First Attempt, Not Included in the GPA
I   Repeated- Last Attempt, Included in GPA

Eligibility to Re-enroll: This student is academically eligible to re-enroll within the USF unless otherwise noted.
